THE WHITE SWAN AND PIN GIN

In 2022, Darren, the owner of The White Swan, expanded his passion for quality hospitality and drinks by purchasing Lincolnshire's first distillery, Louth Distillery, known as the home of Pin Gin which was established in 2016, and has quickly become a local favourite.

Louth is a 40 minute drive from Scotter, but you can enjoy Pin Gin and Rumcat here, whether you are having a Strawberry & Rhubarb and tonic or one of the other great flavours they make, you will see why it's so popular.

So as you enjoy your Pin Gin and tonic here at The White Swan, know that it comes with a bit of local history and a lot of passion!

- OUR WINES -

We are thrilled to offer all of our wines by the glass. To make this possible, we use the Coravin wine preservation system. This innovative technology allows us to pour wine without disturbing the remaining wine in the bottle.

From a 2014 Chablis 1er Cru to a full bodied South African Shiraz, we have something for everyone!
